Call attention day

To,
All FWC Members and FNPO affiliated union Circle Secretaries.

Dear colleagues,

All central trade unions have decided to conduct ALL INDIA PROTEST DAY ON 15TH MARCH 2018 on two demands. They are in solidarity with the striking Defence Production workers against anti-national privatisation move and against the Anti-people Deceptive Union Budget 2018-19.

General secretaries of our federation affiliated union decided to participate in the central trade union call and also decided to conduct call attention day in every circle by conducting meetings during Lunch hour demanding our Department to take appropriate action on our 15 point charter of demands which we submitted to the Chairman of our Department on 18/01/2018 and to all Heads of Circles on 08/02/2018 after the lunch hour demonstration.

Hence it is requested that all our circle secretaries conduct a call attention day on 15/03/2018 along with All India protest day.

Thanking you,

Yours fraternally,

D.Theagarajan
Secretary General.
