**SIVAJI VASIREDDY**

Secretary General

No. Haryana/Gurgaon/Rewari HO

dated 11.02.2026

To  
The Secretary  
Department of Posts  
Dak Bhavan  
New Delhi – 110001

Respected Madam,

**Subject: Up-gradation of Rewari MDG to Rewari Head Post Office (HPO) –  
Genuine and Long-Pending Demand of Staff of Gurgaon Division – reg.**

This Federation has received a strong and justified union demand from the NAPE Group 'C', Haryana Circle, regarding the up-gradation of Rewari MDG to Rewari Head Post Office (HPO), as repeatedly represented by the Divisional Secretary, Gurgaon Division, and unanimously supported by the staff and union members.

A formal proposal for the creation of Rewari HPO has already been submitted at the Divisional and Circle levels and has been pending at the Postal Directorate since July 2025. Despite repeated follow-ups, the matter has not yet been finalized, causing continued administrative imbalance and staff hardship.

After the restructuring of Gurgaon Division, wherein Rewari District was detached from Narnaul HO and attached to Gurgaon HO, the workload on Gurgaon HO has increased abnormally. At present, Gurgaon Division is the only division in Haryana Circle managing more than 60 Sub Offices and their Branch Offices under a single Head Post Office, besides handling IBC, BPC, Divisional Office, Sub-Divisional Offices, and PMG Office work, while also functioning as DDO. This situation is clearly disproportionate and administratively unsustainable.

Further, Rewari city is located more than 65 km away from Gurgaon, and several offices under Rewari District are located at distances of 80–85 km or more, severely affecting supervision, monitoring, and timely service delivery. Even earlier, when attached to Narnaul HO, Rewari was over 60 km away, highlighting that the district has long been functioning without a nearby Head Post Office.

Rewari District has significant geographical, commercial, and administrative importance. It is a rapidly developing urban centre with heavy postal, financial, and PLI/RPLI business, catering to large populations including serving and retired defence and civilian personnel, and industrial areas such as Dharuhera, Bhiwadi, and the adjoining Rajasthan belt.

Contd.....2

Due to the absence of an HPO in Rewari District, the following persistent issues are being faced:

- Delay in settlement of PLI/RPLI claims and maturity payments
- Repeated complaints from pensioners regarding the need to visit Gurgaon for issue resolution
- Delay in processing of cheques, schedules, and vouchers
- Delay in handling manual closures and HO-level transactions
- Public inconvenience due to dependence on distant Gurgaon HO
- Administrative difficulty in coordination with district authorities, as Rewari MDG is often treated as an HPO in district-level meetings

It is pertinent to highlight that Rewari MDG has already been functioning as a major delivery office for the entire city and as a mail exchange office for five routes. The volume of transactions, public footfall, and nature of work are already at par with a Head Post Office, making its up-gradation both logical and overdue.

**Up-gradation of Rewari MDG to HPO will result in:**

- Substantial reduction of excessive workload on Gurgaon HO
- Improved and faster public service delivery in Rewari District
- Efficient handling of PLI/RPLI, pension, and financial transactions
- Balanced administrative distribution within Haryana Circle
- Better supervision and control over Sub and Branch Offices in Rewari District

This demand carries overwhelming staff support, as evidenced by the signed consent of 423 officials (GDS, MTS, PA, and SPM), reflecting the collective voice of employees working at the grassroots level. In view of the above, and considering administrative efficiency, staff welfare, and public interest, this long-pending and genuine demand deserves urgent and favorable consideration.

My Federation sincerely hopes that the Department will accord top priority to the up-gradation of Rewari MDG as Rewari HPO and consider this genuine and long-pending demand sympathetically.

Yours sincerely,

  
(SIVAJI VASIREDDY)  
Secretary General
