No. FNPO/Examination/PSSGRB dated at New Delhi the 29-12-2023

To
The Secretary,
Department of Posts
Dak Bhawan, Sansad Marg
New Delhi – 110 001

Sub: Request to review the decision of cancellation of Notification for LDCE for promotion to the cadre of PS Group 'B' for the vacancy years 2021, 2022 and 2023, held on 04.06.2023 – Reg.

Ref: Directorate letter F.No. A-34012/04/2023-DE (I) dated 21.11.2023

Respected Sir,

My union wishes to bring the unilateral decision taken by the Department to the notice of Hon'ble Secretary Post, in cancelling the above said examination at an advanced stage and for doing justice to the innocent persons.

2. While, all the aspirants are eagerly waiting for the declaration of results, unfortunately, the Department had suddenly cancelled the above said LDCE *ab-initio* through the letter under reference. The reason for sudden cancellation of the Exam was just mentioned as 'Administrative reasons' without disclosing the actual reason.

3. It is observed from the enclosed RTI reply and Directorate letter No. A-34013/02/2023-DE dated 18.10.2023 that some circles have allowed some candidates at their level to appear in the said LDCE considering that their juniors have been allowed to appear for a particular vacancy year and it seems that the reason for cancelling the said LDCE is non following the uniform procedure in all the Circles, which was tried to be rectified by issuing a revised notification on the same day duly including the clause that the Circles should not give relaxation at their end. Further, the notification issued on 02.01.2023 is in consonance with the prevailing RRs.

4. If at all, the same is the reason for cancellation of exam, the Department should review its decision as the Department had every right to cancel the candidature of the irregularly admitted candidates, when found against the Notification as per the instruction No. 9 of the Admit Card issued to the Candidates, which is reproduced below.

"At any stage, if it is found that a candidate is not eligible to appear in the examination, his candidature will stand cancelled. He may also be disallowed to take the examination."

5. Many court judgments also reveal that the cancellation of the exam should be the last resort. When the Department is in a position to cancel the candidature of the irregularly admitted candidates, cancelling the entire exam process at the very advanced stage is highly objectionable. One such CAT order in CAT, Hyderabad in OA/021/01227/2016 order dated 04-09-2018 may please be pursued.

6. Even though the Department had every right to cancel the exam at any point of time, the decision of the Department had an impact on the aspirants and all of them have went to the depression. Due to sudden cancellation of the entire process of the exam at this juncture for the sake of few people and punishing many aspirants for their no fault is unjust.

7. It is not out of context to mention that these LDCE vacancies were already offered to DPC candidates during DPC 2023. Therefore, nearly 100 candidates, who are to be considered for DPC 2024 and should become juniors to these LDCE candidates, were already given promotion in DPC 2023 and became seniors. Further, it is also learnt that the promotion to the cadre of Group B for the 225 upgraded posts due to cadre restructuring is in pipeline and are also going to be filled up through DPC. Further, there is every possibility of conducting the DPC for the year 2024 for nearly 200-300 posts, before the declaration of the proposed exam scheduled to be held on 30.06.2023. Therefore, the aspirants in this LDCE are going to lose seniority of more than 500 – 600 positions, which will have a great impact on their further career progression.

8. Therefore, My Federation request the Secretary (Posts) to review the decision taken to cancel the above said exam once again and also request to cause to declare the results of the exam already held on 04.06.2023, by simultaneously cancelling the notification dated 21.11.2023 and cause justice to all the aspirants.

Thanking you,

Yours faithfully,

(Vasireddy Sivaji)

SG FNPO letter to Secretary Posts about regulation of GDS strike related issues

FEDERATION OF NATIONAL POSTAL ORGANIZATION

To
The Secretary Posts, &
Chairman Postal Services Board,
Dak Bhavan,
New Delhi – 110001

No. NAPE/23-24/GDS Strike dated 21-12-2023

Respected Sir,

Sub: - Victimization of GDS Officials in connection with strike in the name of
GDS Conduct and Engagement Rules – Reg.

&&&&

I would like to appraise the series of happening in the scenario. The series of agitations went on since before November 2022 by the National Union of Grameen Dak Sewaks and All India Grameen Dak Sevaks Unions. On 24-11-2022, hunger fast was conducted at Delhi in that connection a meeting was conducted assuring an amicable solution for the legitimate demands of the Grameen Dak Sewaks. But many of the legitimate demands have not come to a conclusion even after a year from November 2022 to December 2023. As a part of continuation program Strike notice was served for indefinite Strike from 12-12-2023. Meeting was conducted on 11-12-2023 with the representatives under the chairmanship of Honourable Director General Postal Services. Minutes were also issued to the extent.

In fact many of the demands were the Recommendations of the Kamalesh Chandra Committee, which was constituted by the Government itself for review of the Pay and allowances of GDS Officials, which were not implemented till time.

After a series of dialogue and correspondence between the unions and authorities, as the legitimate demands of the Grameen Dak Sevaks have not come to a conclusion with formative orders the GDS Unions were tempted to go on strike. Even after withdrawing the Minutes dated 11-12-2023 we are expective that Department will come up with formative minutes to solve the issue but the things went in contra. As per the instructions from the Directorate so as to decrease the strike percentage many Circles have issued notices to the GDS officials with less than 3 years of Service under GDS Conduct and Engagement Rules.

At that juncture a meeting was conducted with the representatives on 14-12-2023 by the PJCA. After through analysis of the prevailed situation and opinion of the majority of State Representatives the Strike was called off from 15-12-2023. But still in some Circles terminated causing injustice. The GDS Officials are back bone of Financial Inclusion in Rural areas. These actions of victimization leave impressions in the minds of other GDS Officials also which will certainly do not help for inclusive growth of the Department. Without issuing reasonable time to the officials before termination under Rule 8.2 is nothing but violation of Article 311 provision laid down in the Constitution of India. Further there is no mentioning in the instructions issued by the Directorate in connect with GDS PJCA indefinite strike, about termination of service who participated in strike having less than 3 years of service.

It is to request to shower empathetic view on the poor GDS Officials who are the meritorious youth of Nation.

It is to request to instruct all the CPMGs to restore normalcy to the state before the Strike by allowing the officials to join the duty se

Sub: To extend POSB/IPPB Services in one Post Office per Division from 08.00 AM to 08.00 PM for customers.

Ref: Arising.

With reference to above it is to intimate that Postal services are being offered to the customers with prescribed hours counter services across the Gujarat circle. Since, increase of rate of interest in Small Savings Scheme, there is good response from the customers towards the financial services. Feedback has been received about presence of demand for financial services even beyond counter operation hours. Hence it is felt that at-least one POSB/IPPB counter in each Postal division in the circle should be kept open beyond current business hours for the customers to cater to their financial and investment needs.

In this connection I am directed by the competent authority to request you to identify one Post office in each postal division which can provide POSB/IPPB financial services from 08.00.AM to 8.00 PM to the customers. This will not only increase POSB/CC revenue, but leaves a good impression on the potential investors. It is the wisdom of the divisional heads to identify the Post office which will be most promising in terms of small savings investment and start the counter with immediate effect.

It is therefore, requested to issue necessary instructions to the divisions and ensure the compliance from the divisions on above mentioned issue at the earliest. It is further requested to ask the divisions to bring the awareness of this initiative to the Citizens to avail the maximum benefits of this step taken by the Gujarat Postal Circle. Divisions may be further directed to place the signage indicating the extended hours financial services at the prominent place for the information of the customers visiting the Post office. Region office may intimate the name of Post office identified by the divisions to this office by 20.12.2023 for perusal of the competent authority.

This issues with the approval of the competent authority.

A Remarkable Journey of Dedication: Gratitude to DG Shri Alok Sharma's journey in Postal Department
In the realm of public service, few individuals leave an indelible mark on their organizations, and one such luminary is Mr. Alok Sharma, the Director General of the Postal Department. The recent announcement of his voluntary

retirement has sent shockwaves through the department and beyond. As we bid farewell to this seasoned bureaucrat, it is imperative to reflect on his tenure and the transformative changes he brought to the Department of Posts.

Understanding and Addressing Employee Issues:

From the outset, Mr. Sharma demonstrated a keen understanding of the challenges faced by postal department employees. His tenure was marked by a series of initiatives aimed at improving the work environment and addressing long-standing concerns. One notable achievement was the introduction of an online portal for Gramin Dak Sevak (GDS) transfers, streamlining the process and reducing administrative bottlenecks.

Revolutionizing Recruitment Processes:

Under Mr. Alok Sharma's leadership, the Postal Department embraced modernization by introducing online notifications for GDS recruitment. This not only expedited the hiring process but also ensured transparency and accessibility, opening up opportunities for a wider pool of candidates.

De-Quarterisation of Post-Attached Quarters:

One of the noteworthy feats during Mr. Sharma's tenure was the successful de-quarterisation of Post-Attached Quarters. This move not only addressed the housing concerns of postal employees but also contributed to a more efficient allocation of resources within the department.

Timely Conduct of Departmental Exams:

The commitment to organizational excellence was evident in the timely conduct of departmental exams, including the Limited Departmental Competitive Exams (LDCE). Mr. Sharma's proactive approach ensured that employees had ample opportunities for career advancement, fostering a culture of continuous learning within the Postal Department.

Creating New Branch Offices and Filling Vacant Positions:

Recognizing the need for expansion and efficiency, Mr. Alok Sharma spearheaded the creation of new Branch Offices (BOs) and promptly filled vacant positions. This not only bolstered the department's operational capacity but also enhanced its outreach, ensuring a more robust postal network.

Compassionate Case Resolution:

Perhaps one of the most compassionate aspects of Mr. Sharma's tenure was his commitment to addressing the concerns of employees facing personal hardships. The streamlined resolution of compassionate cases, facilitated by the launch of a dedicated portal, showcased his empathetic leadership style.

A Positive Impact on Union Relations:

Mr. Alok Sharma's tenure was characterized by a cooperative and collaborative relationship with the union. His open communication and willingness to address concerns fostered a positive working environment, emphasizing the importance of dialogue in achieving organizational goals.

A Bittersweet Farewell:

As we bid farewell to Mr. Alok Sharma, it is impossible not to feel a tinge of sadness at the timing of his voluntary retirement. His absence during the recent historical strike leaves a void that will be challenging to fill. We can only imagine the positive news that could have emanated from the Department of Posts if he were still at the helm.

Conclusion:

In the annals of the Postal Department's history, Mr. Alok Sharma's tenure will undoubtedly be remembered as a period of transformative change and unwavering dedication to public service. His remarkable achievements have left an enduring legacy, and as he embarks on a well-deserved retirement, we extend our heartfelt gratitude for his service. May the next chapter of his life be as rewarding and fulfilling as his time at the helm of the Department of Posts.

CGHS beneficiaries can be treated at pvt hospitals sans any referral letter

N K Kochhar

NEW DELHI, Dec 7 (PTI)

BENEFICIARIES of the Central Government Health Scheme (CGHS) can now undergo treatment at any empanelled private hospital without the requirement of a referral or permission letter.

The decision was taken after the Health Ministry received a lot of representations for simplification of procedures for undergoing treatment at private hospitals empanelled under the scheme.

Earlier, Central Government employees and their dependents could undergo specific treatment procedures at private hospitals after being prescribed by medical officers under the scheme.

"It has now been decided that CGHS beneficiaries are allowed to undergo treatment at private hospitals empanelled under the

CGHS of specific treatment procedures listed under CGHS rate list without any requirement of any other referral (permission) letter," according to an order issued by the health ministry.

According to an office memorandum which has been issued to all the ministries and departments of the Central Government, private empanelled hospitals shall perform the treatment on cashless basis in respect of pensioners, former parliamentarians, freedom fighters and regular employees who are at present eligible for credit facility.

"They shall enclose the prescription issued by Government specialist or a CGHS medical officer in original, along with the hospital bill submitted to the competent authorities," said the order.

Respected Sir,

Sub: - System Generated Errors in DPMS- Reasons and Rectification – Reg.

As a part of MMU Review the issue related to System Generated Errors have come into light. The details of the issue and modification required in software to avoid system generated errors though there are no real omission are submitted below.

The Mail Offices close the Bags with huge number of articles more than 100. The Post Offices receive bags between the 8 to 11 am. While opening the bags in post offices in DPMS Software, when there was heavy pressure on servers suddenly the window of scanning of the articles closes abruptly. The bag has to be opened again and all the articles have to be scanned. It causes delay in opening of bags, repetition of work which is laborious, unproductive and will certainly affect the DPMS, MMU to the extent.

To avoid this, operative offices are adopting the unprescribed procedure of scanning the articles in a dummy bag. For example: if a bag with 300 articles is received, it will be received in 3 dummy bags with 100 articles in each bag. In such cases the DPMS is creating System Generated Errors for each article as the articles are could not be scanned in its original bag closed from Mail Office.

The reason for all such issue is there is no option to save to the articles scanned in Bag Opening Window. If such option is there, the operative offices can save the articles scanned in middle and if anything related to server load issue arise during the peak hours of 8 am to 11am and the Bag Open Window closes abruptly the scanning can be continued from the last article scanned/saved. It avoids repetition of bag opening, article scanning and the System Generated will be decimal.

Hence it is to request to pursue the issue and necessary modifications may please be arranged in DPMS

Yours sincerely,

(SIVAJI VASIREDDY)

Respected Sir,

Sub:- Special drive to fill up the vacant posts of Postmen, Mail Guard and MTS in Delhi circle from surplus qualified willing candidates of LDCE 2022 & 2023 of all Circles –regd.

My federation expresses sincere thanks for taking such bold step to fill up all backlog vacancies (nearly 3500) in Delhi circle in Postmen, MTS and MG cadre from all the circles surplus qualified willing candidates of LDCE 2022 & 2023. Definitely this exercise gives fruitful result and delivery performance in Delhi circle will improve highly.

Last date fixed for submission of willingness as 20.11.2023 by the surplus candidates. But the ground reality is most of the circles like Telangana, Kerala etc have not declared the results of LDCE 2023 and chances are also very less to publish the same before the crucial date.

In this connection my Federation requests the Hon'ble DG Posts kindly instruct all the circles to publish the LDCE 2023 results before the end of November 2023 and last date may please extended up to 15.12.2023 to submit the willingness of surplus qualified candidates. My Federation also requests to publish marks obtained by the non selected candidates by circle wise to maintain transparency.

An early action in this will be highly appreciated.

October 5, 2023 will be 28 years since the death of our union founder K. Ramamurthy.

In 1936, he started his career as a Second Division Clerk in the Postmaster General's office, Madras. During that time, he led the defense of the unity and rights of unorganized labor organizations. Sri KR rendered his great services to FNPO organization and continued till his death on 5 October 1995. He retired from service in 1972. In 1968, the FNPO was formed by a few but many benefits were achieved many results because of sacrifices many leaders. His efforts to implement a service-pay system to improve the living standards of ED (GDS) employees and ACP promotions to the CG employees should also be remembered forever. we pay tributes to the soul of Late Sri KR on his death anniversary.
