HISTORICAL STRIKE OF CG EMPLOYEES AND WORKERS ON 19TH SEPTEMBER 1968

56 years are over after the great historical one day token strike of the Central Government employees which took place on 19th September 1968.

It was a strike which shook the government and the country. More than 30 lakhs of CG employees participated keeping the country to a standstill. The P and T, Railway, Defence and other employees with their strategic position ensured that the entire machinery of the central government was paralyzed.

It was a struggle for the dignity of labour, for the 15th ILC approved Need Based Minimum Wage, for full neutralisation in cost of living through Dearness Allowance and such other demands. The demands were well understood by the workers despite false propaganda of the government.

The Union Government used the hated Essential Service Maintenance Act and other such anti-worker ordinances to suppress the struggle, instead of conceding the just demands of the workers. The workers did not flinch; they had the bitter experience of the 1960 strike which was treated as 'Civil Rebellion' and tried to be suppressed by the then Prime Minister. The workers had understood the anti-worker policy of the government, which was only to support the rich and ignore the justified demands of the workers.

It is to the credit of the Left Government of Kerala, headed by Com.E.M.S.

Namboodiripad, who declared that his government will not use the ESMA against the striking government employees, despite warning of the central government that failure to implement ESMA may result in dismissal of his government.

Thousands of workers were arrested, jailed, terminated, suspended, dismissed and heavily victimised. CGE unions were derecognised. The heroism shown by the ordinary workers was beyond description.

Many years have passed since then. The employees are now getting DA automatically, whenever there is an increase in the cost of living. Strike victimisation has come down. Usually only dies-non is issued for participation in the strike, except in isolated cases. But still we are to get Minimum Wage implemented as per Dr. Akroyd formula which is around Rs.26,000 at present.

The present government has completely ignored the just demands of the CG employees

and workers. Demands like Restoration of Old pension Scheme, Appointment of VIII CPC which is due, Additional pension after 65/70/75 years, Increase in FMA etc. are denied without any justification. Hard-won rights of the workers are taken away to favour the corporates and the rich.

On this 56th anniversary of the historical strike, we pay homage to the 17 martyrs of the 1968 September 19th Strike, who sacrificed their lives for the future generations. The great leaders who led the strike, the workers who implemented the call - we remember all of them, some still in the movement, all of them retired and some no more with us. We will always remember those comrades who were part of this great struggle and contributed for a better future for the working class. Their inspiring memory will certainly strengthen our future struggle for justice to the CG Employees and Workers !

To
The Secretary Post & Chairman

New Delhi -110001.

Respected Madam,

Sub:- Refusal of LSG declinations – c/o Gujarat Circle –regd.

The CPMG Gujarat circle issued LSG promotion memo on 9.8.24 and a corrigendum issued on 17.9.24 and mentioned that no declination to LSG promotion should not be accepted and even after that also any official declines disciplinary action will be initiated.

In this connection my Federation submits that officials are refusing their LSG promotion with the cost of MACP financial up-gradation also keeping in view of their personal problems. Promotion can be declined by any official in any cadre in any Department and we can't force them to accept their given promotion which is against to the Law in the Land. Across the country wherever declination not accepted all such issues are settled with the intervention of Directorate and some instances with Court cases.

If the reason for refusal is to fill all LSG/HSG posts then the circle can go for the supplementary DPC by maintaining wait list to fill all vacant posts up to maximum extent.

Hence my Federation requests Hon'ble Secretary Post, kindly intervene in this issue and instruct the competent authority for accepting the declination requests submitted by the officials for their LSG/HSG promotions under Gujarat circle immediately keeping in view of their personal difficulties and natural justice.

An early action will be highly appreciated.

Thanking you,

Yours sincerely,

All Confusion Cleared on Unified Pension Scheme: -

1. **Contribution:** - **10%** of (Basic+DA) from Employee, **18.5% of the same** from Government.
2. **Fund in two parts:** -
 - **First Fund** - 10% of Employee & 10% of Government total **20% of (Basic+DA)** will be invested in **Default/Conservative/Moderate Market linked** Scheme by individual choice same as NPS.
 - **Second Fund** - **8.5%** of Government contribution will go to any **fixed income source** decided by government.
3. **Default Fund:** - Assured pension is based on 'default mode' of investment pattern notified by PFRDA i.e. equal amount of investment in all three public pension fund managers (**SBI pension Fund, UTI Pension Fund & LIC Pension Fund**) in which 85% invested in fixed income source such as Government Bond & Corporate Bond and 15% invested in equity market by these three fund managers.
4. **Individual Fund choice** - Subscriber can also choose any of the fund belongs to three categories **Default (85% Bond + 15% Equity), Conservative (75% Bond + 25% Equity)** and **Moderate (50% Bond + 50% Equity)** in conservative and moderate there are many public and private pension fund managers.
5. **Minimum Pension:** - This is minimum pension assured which is average of 12 months of basic pay prior to retirement taken into consideration plus Dearness Relief at the time of retirement. (**50% of Basic+DR**)
6. **Corpus:** - Total accumulated amount in First Fund of UFS including return on investment at the time of retirement. (**Employee + Government contributions & Return on that investment**)
7. **Annuity:** - An insurance contract issued and distributed by financial institutions with the intention of paying out invested funds in a **fixed income stream** in the future.
8. **Government Promise:** - Government promised minimum pension based on **default fund** if **100% of total corpus** is annuitized. If pension after annuity is **more than assured pension** due to **individual choice of fund or good market conditions** employee is entitled to such **higher pension**. Any **shortfall** in minimum assured pension after annuitization of 100% of corpus due to *poor market conditions* the government will **compensate that shortfall using the 2nd fund i.e. from fixed income fund** in which government contributed 8.5%)
9. **Withdrawal:** - **Up to 60% of total Corpus** can be withdrawn by employee at the time of retirement the **assured minimum pension will be reduced proportionately**. Government will only compensate shortfall taking into consideration of 100% annuitization of total corpus not less than that. This will work **similar as Commuted Value of pension** in Old Pension Scheme.
10. **Lumpsum:** - Government will provide a lumpsum amount, **other than gratuity**, of **10% of monthly emoluments** for every completed six months of service.

No. Tech/Project 2.0/Mails

Date 07-09-2024

To

The Secretary Post,
& Chairman Postal Services Board,
Dak Bhavan,
New Delhi – 110001

Respected Madam,

Sub: - Request for provision of off-line module for Delivery and Postman
Management System – Reg.

&&&&&

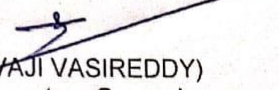

It is to bring the following Technical Issue with regard to Delivery and Postman
Management System for persuasion and solution.

At present when network supports and SAP is functioning then only mail DPMS work
can be done like receiving of mails, invoicing of Speed Post letters and Register post
articles for delivery and returns of accountable articles and closing of mails.

Due to this in many instances mails are being held up due to power failures,
network/SAP frequent failures and especially on Mondays as there usually there will
heavy volume of mail. Due to this Receipt of Bags, Opening of bags, invoicing the
articles to Postman/BOs and preparation of delivery invoices happens delayed beyond
the prescribed hours. Consequently Delivery Staff from HO to BO Level have to start
their work with much delay there by delivery percentage will adversely affect. This is
causing embarrassment among delivery staff as well as other staff.

Hence my Federation requests the Hon'ble Secretary kindly take necessary
steps for facilitating "Off-line" provision for work related to Delivery and Postman
Management System in Project 2.0 software for better delivery performance and
optimum utilization of staff hours.

Yours sincerely

No. GDS/Online Engagement

dated 09-09-2024

To

The Secretary Post,
& Chairman Postal Services Board,
Dak Bhavan,
New Delhi – 110001

Respected Madam,

Sub: - GDS online engagement on SSC merit basis – Reg.
&&&&&

At present the GDS posts are being filled on the merit basis of marks obtained in the SSC (10th class) through online engagement portal.

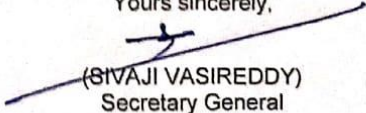

During Covid pandemic period some State Governments awarded 10/10 grades (100% marks) have been awarded to all the students without holding examinations and without observing their merit.

Due to above reason many of the candidates don't having minimum knowledge are being recruited as GDS BPM and ABPM. Even in the last cycle also the candidate who got state first rank also doesn't get the GDS appointment due to special relaxation given to the candidates during covid time.

It came to my Federation notice that many of the IPs/DHs raising their dissatisfaction about such GDS staff performance and due to lack of knowledge some financial irregularities also happening. All such activities are increasing unnecessary work pleasure on administration.

Hence my Federation requests the Hon'ble Secretary kindly intervene in this issue and take necessary steps for recruiting worthy candidates for the post of GDS cadre by holding some kind of merit test instead only weightage on marks in the 10th standard. I hope the authority will take proper action in this subject for the growth of the Department.

Yours sincerely,

(SIVAJI VASIREDDY)
